

ABRACADABRA ALBUMS

Photographic Guest Books for your Special Occasion

ABRACADABRA ALBUMS

In the digital age its easy to have your family and friends create a photographic guestbook as an album of those more informal moments

A unique opportunity for your guests to select their own favourite photograph of your special occasion and accompany it with their personal messages

Digital technology lets you avoid developing countless bad photographs for just a few good shots

ABRACADABRA ALBUMS

All your guests have bought along their own digital cameras so why not capture some of those memorable and informal photographs?

Here's how

Abacadabra Albums provides an album and photograph printing service which allows your guests to print their own photographs and insert them in an album together with a personalised message

Abacadabra Albums attends your function and provides:

- Fast, high quality, instant photographic printing
- All necessary stationery supplies
- Printers compatible with major digital camera formats
- Photograph safe pens and adhesives
- Trained staff will assist guests with their album entries

A COMPLETED ALBUM AT THE CONCLUSION OF THE
FUNCTION AS IF BY MAGIC
